

**Gr. 4 & 5**  
**Finding God Homework**

November 3, 2022

Dear Families,

My apologies, I thought I had included your homework calendar when I updated the website last month. I have now adjusted it so that we can get a fresh start.

In the initial email, your only instruction was to complete Ch. 1-3 before the Oct. 16 session, and to pick ONE of those chapters to try the Interactive Session Review online. Instructions are on the Faith Formation page of the St. Paul website. If you haven't done so, I would like for you to try it at least once with one chapter of your choice. Once you have tried it, if you do not find it helpful, you can just complete the pages in the workbook. However, I have received good feedback from those who enjoy doing the Interactive Session Reviews online, so I hope that it can be a helpful additional resource.

Peace in Christ,  
Chi
